David has nearly 20 years loss adjusting experience and has been with Synergy since the beginning in 2004. Prior to joining Synergy, he worked for a large international independent loss adjusting firm and a fortune 500 insurance carrier.

David provides both technical and quality assurance supervision to Synergy's staff of account supervisors and field adjusters. He also handles claims of a complex nature including high value Homeowners, Commercial Property including Business Interruption, Construction Defect, Artisan Liability and Warehouse Legal Liability. David's complex, technical claims expertise and his ability to manage a team of professionals results in a business unit that enjoys a worldwide reputation for excellence.
